Monday 29th July to Friday 2nd August

Here we go again! - time for another fun packed week of fun & games

Mega week is back! Welcome to the 2019 Samlesbury Playscheme. We look forward to registering your children again for yet another fun packed week of sports, games and the kind of days out that all children love to take part in.

Every child aged 5 – 14 years is welcome to take part in the Scheme and is registered into a group and section of their own age group.

We have three different age groups

Infants 5 – 7 years

Major League 8 – 11 years

Teenz 12 – 14 years

Following the success of previous years, deregistration will again be at 3.30pm, which means that buses will depart around 4pm. Parents bringing children by car should arrive for registration at 9.30am and at the end of the day should collect from the Canberra Club main entrance at 4pm except BAE employees who may arrive from 8am and collect no later than 5pm.

Use the Scheme, remember we are happy to register friends and family into the same groups wherever possible but to assist with this please try to register these children at the same time or make a note on their Enrolment Form to tell us who they would like to be with.

Now don't forget Playscheme can be for everyone if you are 15 years or over and would like to volunteer find out more and register your interest at

Don't forget - you'll need a change of clothes as you will be getting wet in the lake with raft building and sailing your team to shore and getting muddy on the grass sledges. You can explore your talents and our photographer will show the camera shy of you how to capture UV/ dark lights while you get your glow on with our UV tribal face and body paints... lights, camera, action! Or you can get crafting with our substantial array of activities to include pottery, sign making, tie-dye t-shirts and t-shirt decorating for those who want some chill time.

'NOW IN ITS 19th YEAR as one of the best PLAYSCHEMES around'

The Association continues its proud tradition of organising the Samlesbury Playscheme which started 19 years ago in collaboration with Jim Green, LPT Services and Leyland Playscheme and has become the one that all children (and parents) watch out for.

Parents whose children have been to Playscheme before will know how much fun and enjoyment their children have throughout the week. As always though we try to improve things year on year and 2019 will be no exception with plans already well under way to guarantee a value packed week and more children than ever before.
